

# SPONSOR A CHILD'S PLACE ON OUR STEM SUMMER COURSE

[www.stemsummercourses.org](http://www.stemsummercourses.org)

## Our Courses

STEM Summer Courses are for 8-13 year olds and will be back in 2024 at UTC Oxfordshire and Silverstone UTC. We will be delivering two programmes, Robotics and Racing OR Flight and Space, giving kids a STEM filled, fun fuelled week!

## 6 Steps to sponsor a child to attend our STEM Summer Course for FREE

### 01. BUY A PLACE

Email Deepika to confirm you want to sponsor a place. You can pay by invoice or by credit card.

£258

### 02. VOUCHER ISSUED

We will issue you with a FREE PLACE VOUCHER.

### 03. DONATE VOUCHER

You (or us) donate the voucher to a local school.

### 04. STUDENT SELECTION

School selects an eligible student.

### 05. PLACE BOOKED

Parent/guardian books the child onto the course for FREE!

### 06. CHILD ATTENDS

The child attends one of our brilliant STEM Summer Courses!

We will give you a **BIG public THANK YOU** for donating a place and helping inspire the next generation of Engineer!

STEM Summer Courses are run by The Engineering Trust. Registered Charity 287075
